

Reason for Recognition: Deliver together

To: Ankit Mahajan

Hi Ankit,

Would like to take a minute to thank you for all the great work you've done in 2019. Particularly in the Sprints leading up to year end, you have taken on an incredible volume of JIRAs and delivered on each and every one. It is astounding how much has been delivered in Q4 alone!

The QS team is very thankful to be able to partner with such a fantastic team of sharp developers. It is also our goal to ensure individual contributions are recognized, even in an Agile environment where the focus is often "team accomplishments".

Sincerely,
Paul Oldakowski
